OWNERSHOT ADS

Shop owner photographs their own product. Original listing copy. Original stills. A 12 to 15 second ad. Android + web. No stock. No celebrity. No third-party brands.

STACK	Grok 4.6 · Higgsfield · Supabase · Vercel · Play · dedicated server
STUDY	Photoroom · Canva Magic Media · Shopify seller · Whatnot · Alta · CapCut
RULE	Borrow the job. Never copy the skin, mark, or pixels.

PALETTE (Pixelpoint, not the neighbors)

TYPE

Display + buttons: Anybody (Arial Narrow fallback). Body + fields: Red Hat Text. Squared controls, 2px radius. No 24px pills. No Canva purple, CapCut teal, or Shopify admin blue.

MOTION IDEAS

Shutter settle. Cover tile snaps to slot 1. Point square pulses on generate. Still crossfades into the 12s clip. Preview frame border fills on export (CapCut lesson, our color).

STEAL THE JOB

· Photoroom: product is the hero, tools as chips

· Canva: one prompt, style grid of the same subject

· Shopify: title/desc/price stack, Save off until title

· Whatnot: cover vs extras, camera grid, required *

· Alta: keep / reject / regenerate on the result

· CapCut: progress lives on the preview, then share

NEVER THE SKIN

· Purple CTAs, Dream Lab teal-purple wash

· Yellow Publish pills, marketplace brand pickers

· Chat-thread generation as the main path

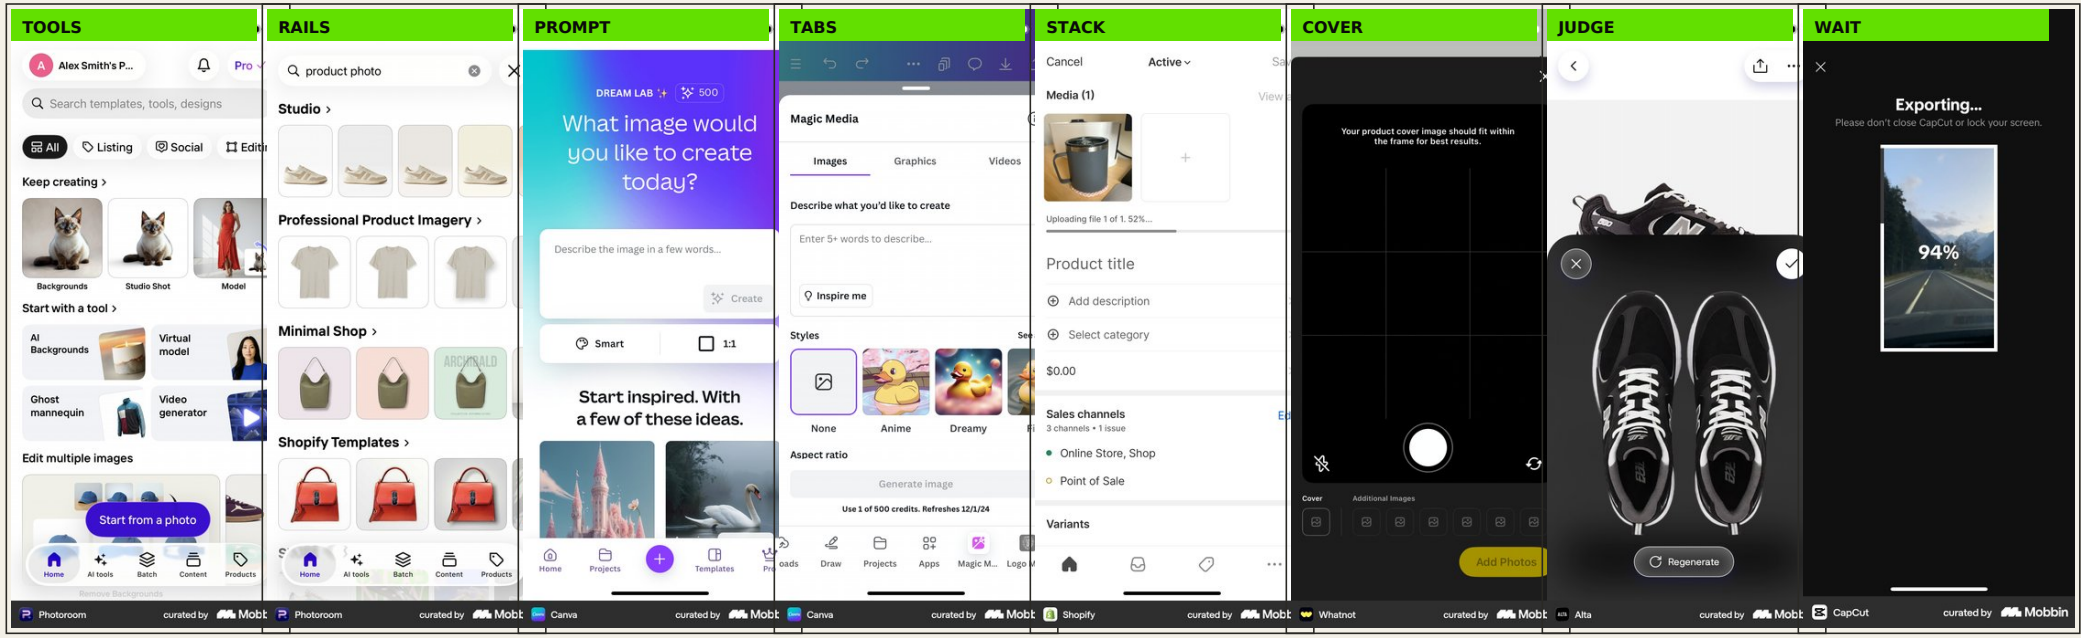

· Stock / celebrity / film prompts

· Shipping these Mobbin JPEGs in the app or Play listing

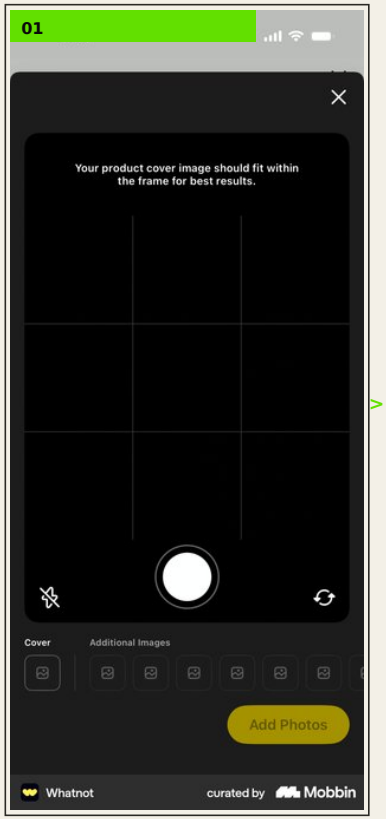

· Cloning any neighbor layout pixel-for-pixel

MOOD BOARD

Neighbor frames. Watermarked. Not our UI.

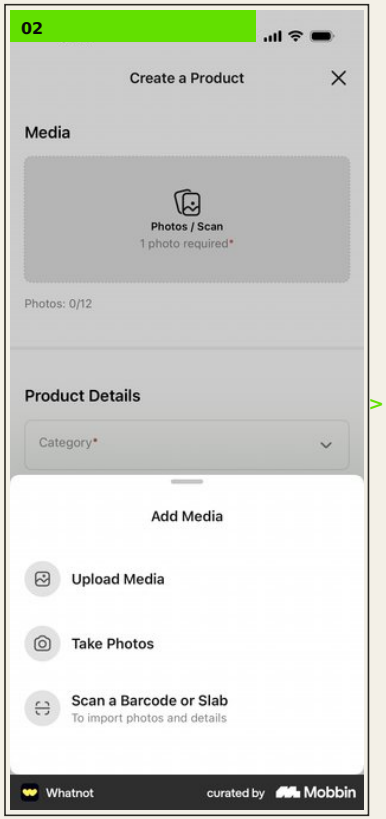

Photoroom home | Photoroom styles | Canva Dream Lab | Canva Magic Media | Shopify add | Whatnot camera | Alta regenerate | CapCut export

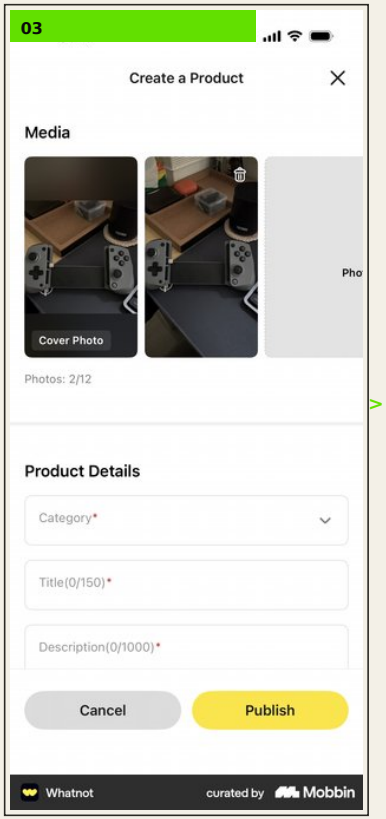

Whatnot cover camera

OURS Grid camera. Cover must fit the square.

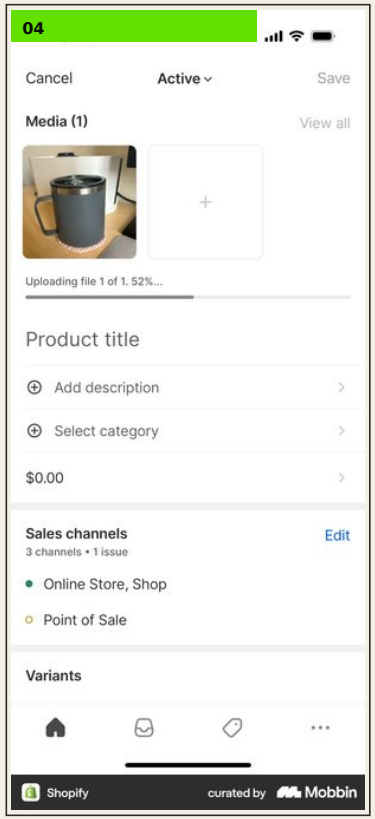

Whatnot add-media sheet

OURS Camera or library. No barcode scan of other catalogs.

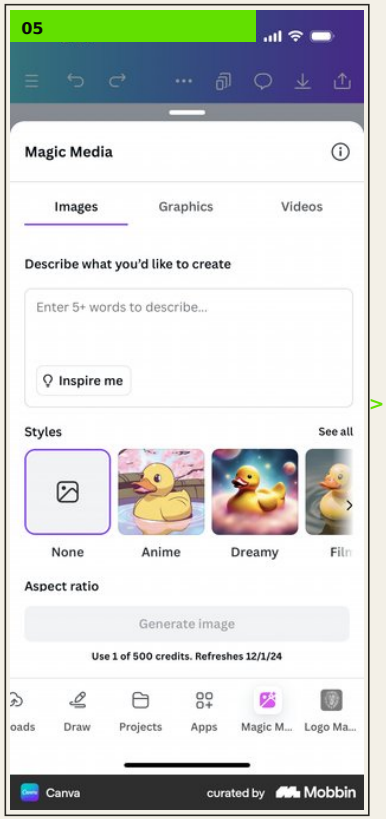

Whatnot create product

OURS Cover + extras. Title 60. Desc 800.

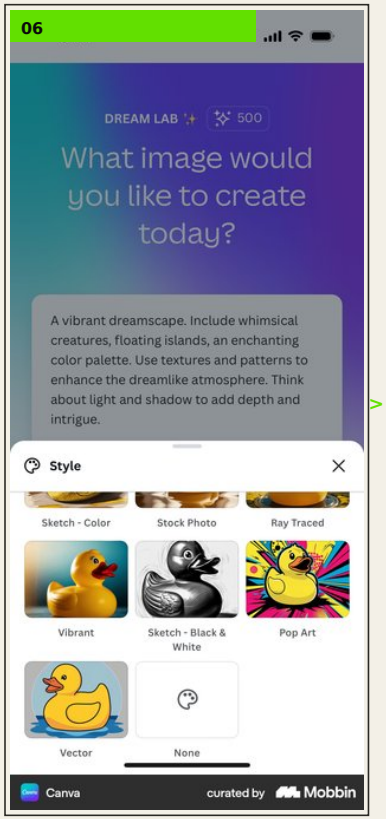

Shopify add product

OURS Save stays dead until title + one photo.

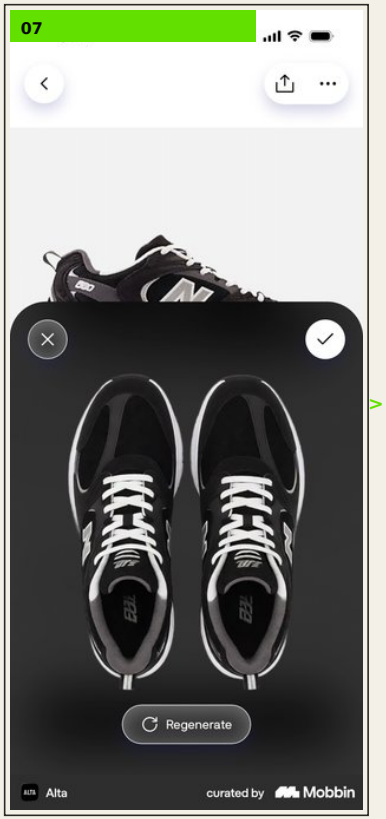

Canva Magic Media

OURS Still / Clip tabs. Owner photo is the only input.

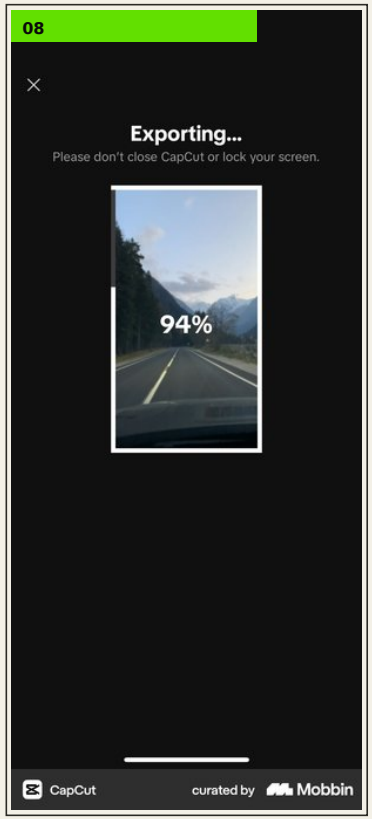

Canva style sheet

OURS Format chips: square, 4:5, 9:16. Same product.

Alta regenerate

OURS Keep, reject, regenerate on the still.

CapCut export

OURS Preview border fills. Then share.
